

Outgoing Exchange Students 2020/2021 Tuition Fee Liability

Residence	Tuition Fee Liability to HWU
Home/European Union (EU) Students	<p>Student Awards Agency Scotland (SAAS) funded students going on:</p> <ul style="list-style-type: none"> • Any Erasmus exchange placement (study or work) • Any non-Erasmus exchange placement (study or work) <p>will be liable for full tuition fees - SAAS will cover the full fees but students must apply for funding in the normal manner to obtain an award letter.</p>
Rest of UK (RUK) Students	<p>RUK students are not liable for Heriot-Watt University (HWU) tuition fees for the academic year 2020/21 if undertaking any type of exchange placement, part or full year, during that year, apart from the exceptions below. Therefore, RUK students will not be required to apply for a Student Loans Company (SLC) tuition fee loan for the year that they study abroad. However, students undertaking a placement <u>will</u> be required to apply for a tuition fee loan for their final year of studies where this would normally be free of charge (for students not undertaking a year abroad).</p> <p>RUK students undertaking an exchange placement in 2020/21 will receive an advice letter by email from Student Finance HWU with details of tuition fee adjustments.</p> <p>Exceptions: BEng Chemical Engineering (DIT yr3/4) fee is £2,500 MEng Chemical Engineering (DIT yr3/4) fee is £2,500 MEng Chemical Engineering with Energy Engineering (DIT yr3/4) fee is £2,500 MEng Chemical Engineering with Pharmaceutical Chemistry (DIT yr3/4) fee is £2,500 MEng Chemical Engineering with Oil and Gas Technology (DIT yr3/4) fee is £2,500 BEng or MEng Mechanical Engineering (DIT yr3/4) fee is £2,500 BEng or MEng Mechanical Engineering and Energy Engineering (DIT yr3/4) fee is £2,500 MChem Chemistry with Industrial Experience (entry yr 1/2, placement year 4) £2,313 or £4,625 MChem Chemistry with a European Language (entry yr 1/2, placement year 4) £2,313 or £4,625 MChem Chemistry with a Year in Europe (entry yr 1/2, placement year 4) £2,313 or £4,625 MChem Chemistry with a Year in North America (entry yr 1/2, placement year 4) £2,313 or £4,625 BSc / MChem Chemistry with a Year in Australia (entry yr 1/2, placement year 3) £2,313 or £4,625 BSc Actuarial Science and DIT (two 6 month placements) £650 each BSc Actuarial Science and DIT (12 month placement) £1,300</p>
Overseas Students	<p>Tuition fees for Overseas students will be dependent upon the degree programme being studied. Overseas students are advised to contact their School for further information.</p> <p>If sponsored, students should advise their sponsor that they are on an exchange placement and must provide a financial guarantee to the Student Service Centre at StudentCentre@hw.ac.uk</p>

ADDITIONAL NOTES:

- The above outlines the most common categories of student and exchange placement and is issued for guidance only.
- **Students must ensure that they apply for funding in the normal manner within the deadlines prescribed by the relevant funding body. Please contact your funding body if you are unsure of the application process or to determine if there is support for a travel grant to cover part of your costs.**
